

Returning Visual Merchandising Arts Students,

Welcome back. I look forward to sharing an exciting and busy academic year with you. The following is the Fall 2017 term start up information.

All returning students will receive an email prior to the release date of the timetables, and you will be directed to go to *myOTR* Online for information regarding term start-up. Please visit *myOTR* Online at [myotr.sheridancollege.ca](http://myotr.sheridancollege.ca)

Classes at Sheridan start on Tuesday, September 5<sup>th</sup> 2017. The date and time of the second-year Orientation will be posted on the SLATE VC site and emailed to you via your Sheridan email account. Please arrange to attend this session, as there will be valuable information conveyed.

Wednesday will continue as the day that our program reserves for window display installation. This should appear as a block of time that is associated with the Retail Merchandising Advanced course. There are no regularly scheduled classes on Wednesday between 11-5, however you will be required to attend the production sessions to plan, install, and dismantle window displays.

In the semester 3 courses, there are no required textbooks for the core Visual Merchandising courses.

I wish you an exciting second year in the Visual Merchandising Arts program at Sheridan. I encourage you to register at Student Services, for any assistance/accommodations you require during the semester. It is best to register with a counsellor prior to the semester start, so you can obtain the support you require to be successful.

Sincerely,

Louise Franklin  
Visual Merchandising Arts Program, Coordinator and Professor  
Sheridan College Institute of Technology and Advanced Learning
