

Dear Students,

Welcome to Sheridan and the Pilon School of Business (PSB) Professional Accounting Graduate Certificate Program! We are excited to have you join this program which provides you a clear pathway to becoming a Chartered Professional Accountant (CPA). Once you have successfully completed this program, you can apply to CPA's Professional Education Program (PEP) to continue your journey on becoming a CPA.

As a direct impact of the COVID-19 pandemic, Sheridan will be running this term as remote delivery. Classes will be held virtually, and each professor will communicate to you how they will be accomplishing this. All classes are scheduled, and it is expected that you will be in attendance virtually during your regularly scheduled day/time. We recognize that learning remotely can be particularly stressful, but rest assured that within PSB, we have a team of experienced, supportive faculty and staff who understand the challenges you may be facing and are here to support you in your post-secondary journey.

A student orientation webinar will be held on Wednesday May 5th, 2021 at 10am EST and we encourage you attend. We will be reviewing the program overall, class schedules, exam schedules and other important information. Webinar details will be emailed to your Sheridan email accounts.

On behalf of the entire Sheridan PSB community, we wish you success in the spring/summer term and over the course of your studies in the Professional Accounting Graduate Certificate.

Best Regards
