

A Message from your Program Coordinators:

Simon Hood and Satyendra Narayan

Welcome **SDNE** and **SE** students!!

Congratulations on your acceptance into Sheridan College's Software Engineering (SE) or Software Development and Network Engineering (SDNE) programs! On behalf of all the Applied Computing Faculty, we are thrilled that you have accepted Sheridan's offer. Looking forward to getting to know you!

We look forward to welcoming you at our upcoming virtual [Academic Orientation Session](#), at which time we will provide you with program information, co-op information, laptop requirements, and many other tips and tricks to help you through. We hope to answer any other questions you may have during this online visit as well.

If you need any assistance as you prepare to enter, or throughout your time in, either the SE or SDNE programs, please feel free to contact an Applied Computing Academic Advisor or a Sheridan College General Student Advisor via email (see below). There's a huge team of friendly folks here behind the scenes who are all dedicated to helping you succeed!

Warm Regards,

Simon Hood

Program Coordinator, Computer Systems Technology - Software Development and Network Engineering (aka SDNE)

Satyendra Narayan

Program Coordinator, Computer Systems Technician - Software Engineering (aka SE)

Contact Information
