

Welcome to Sheridan and the Pilon School of Business (PSB) Finance Program!

We are excited to have you join this program where you will learn the essentials you need to kickstart your career in finance. In this program, you'll get the fundamental skills you need to find finance jobs. You'll learn to process financial records, analyze reports and network in business. You'll also get hands-on experience as you study investing, financial statement analysis and more.

Student orientation events will be held on:

Date	Event	Delivery Mode
Tuesday, January 3	New Student Orientation Kickoff	Virtual
Wednesday, January 4	Davis Campus Activities	In-Person
Thursday, January 5	Hazel McCallion Campus Activities	In-Person

During Orientation, we will be reviewing the program overall, class schedules, exam schedules and other important information. Orientation details will be emailed to your Sheridan email account.

This program requires you to use a laptop with a webcam and you will need to have access to one before classes start. Additional minimum requirements for the program can be reviewed on the Sheridan IT page at <https://it.sheridancollege.ca/laptop-requirements/requirements.html>.

The first week of school will be a very busy time for everyone and will involve all sorts of tasks, not the least of which will be the purchase of your textbooks. It is recommended that you wait until after your first class to purchase textbooks, as your professor will provide advice on your textbook options.

In the coming weeks, you will receive emails about Transition Well and the PSB Learn Well Virtual Community.

- Transition Well supports your sense of belonging, connection and engagement with faculty and classmates throughout your first year at Sheridan. It includes one-on-one peer connections, workshops, self-guided tutorials, and New Student Orientation events.
- The PSB Learn Well Virtual Community is an online community built specifically for you and your PSB peers. It is a space where you can find advice, connection, course planning guides, and support services.
