

Library & Learning Services

Got Questions?

Vet Tech Librarian – Contact Karen Lints (karen.lints@sheridancollege.ca) for in-depth research and citation help including how to choose a research topic, what databases to search, and strategies for finding articles.

Academic Initiatives Librarian – Connect with Christine Moffatt (christine.moffatt@sheridancollege.ca) for support with studying, note taking, test taking, time management, as well as other academic skills.

Instant Chat – Library staff are available during regular [service hours](#) to answer your general library, research, and citation questions.

Tutoring – Tutors are available to assist you with English, writing, citations, math, and other areas. Book an appointment on [TutorOcean](#) or contact them via email (tutoring@sheridancollege.ca).

Research and Writing Support:

Search:

[Sheridan Library](#) provides 24/7 access to digital books, articles, videos, and other sources to help you to complete assignments. You can access databases on a range of topics through this [alphabetical list](#), but here's a few collections to get you started:

- [VetMed](#) - A database that contains reviews, datasheets as well as the Animal Health and Production Compendium.
- [Wiley Online Library](#) – A databases that covers a range of topics and disciplines with high quality journals.

If you're looking for more collections, visit the [Veterinary Technician & Animal Care research guide](#).

Cite:

A citation style ensures consistency between papers, provides important details about the document, and makes it easy for professors to locate the source. Sheridan Library has a range of citation supports for the APA Style including a [YouTube Video Series](#) and [Cite it Right Guide](#) with examples for citing books, journals, website, newspapers, and more.

For citation help, contact library staff through the [chat service](#) or contact your librarian (karen.lints@sheridancollege.ca).

Write:

[Tutoring](#) offers learning support for English and writing at no additional cost. You're welcome to schedule appointments via email (tutoring@sheridancollege.ca) or online through [Tutor Ocean](#). **Please note that you will need to register with Tutor Ocean using your Sheridan credentials.** To learn how tutoring works and view drop-in schedules, please visit [Sheridan Central](#).

In addition to appointments, resources about writing are available online such as:

- [Academic Writing](#)
- [Writing Annotated Bibliographies](#)
- [Writing Literature Reviews](#)
